

Ethan Fisher: Speaker One-Sheet

Not Just a Speaker. A Turning Point.

APCA 2023 Speaker of the Year

Ethan Fisher isn't your typical keynote speaker. He doesn't just recite leadership principles; he embodies the hard-won lessons of a life reclaimed. His keynote emotionally describes how one poor choice can change everything, and how redemption can redefine what's possible.

Speaking Topics

Life CONsequences - Mental Health & Resilience

Best For: All Students, Counseling Centers, Wellness Weeks, Orientation, Greek Life, Alcohol Awareness Week, Mental Health Awareness Month

Addressing the silent struggles of depression, anxiety, and the pressure to perform. Ethan shares his own battles to help students feel less alone.

Campus Intervention - Substance Use & Choices

Best For: Workshops for Orientation, Greek Life, Alcohol Awareness Week

A raw, honest look at the consequences of alcohol and drug use. No scare tactics, just real life and the power of one decision.

The 5 Keys to Success - Leadership & Accountability

Best For: Workshops for Student Government, RA Training, Leadership Conferences

Redefining leadership not as a title, but as the daily act of taking responsibility for yourself and those around you.
